Great, thanks Sonja! The drug reference number for the case is [REDACTED] -- I will make sure the summons gets faxed over asap as well. Thanks for the heads up on [REDACTED] as well -- if it looks like your case in Pittsfield is going to go, I can try and get a continuance on my case no problem. Just let me know.  
Thanks! Alyson

Alyson-

Sorry I didn't get back to you yesterday, but I was in court in Pittsfield. As for next Monday (3/8/10), I am available and have no problem being on call for your case. However, I do need the drug lab number(s) for the submissions so that I can review my notes and be prepared in case I need to testify.

On a separate note, I did receive you summons for the [REDACTED] scheduled for April 7, 2010, but I already have a trial scheduled in Pittsfield for that day. The ADAs in Pittsfield are normally pretty good about keeping us informed if cases are continued/pled/etc., so I'll keep you informed if I hear anything regarding that case. Thanks.

-Sonja

Hi Sonja,

This is Alyson Yorlano from the Springfield District Court DA's office -- I don't think we've worked together yet so I wanted to introduce myself. I also wanted to ask about your availability next Monday, 3/8/10. I've just inherited a drug case and it looks like you were not slipped in on it. I'm wondering if you can be on-call for trial that day? Otherwise I can ask for a continuance. Please let me know.

Thanks,

Alyson
